

EM TMRP-6E

Electronic module for anti-tank mine

TECHNICAL DATA:

- Operational mode passive, active, demining, remote firing (optional)
- Type Electronic module of anti-tank mine TMRP-6E
- Autonomy 30 days
- Self-passivisation 1 to 720 h (96 default)
- Power supply replaceable primary battery
- Safe time 18 min
- Shelf life (min) 15 years
