

TOP PATROL OVERALL

These overalls are intended for equipping military, police units and tactical teams. Overalls are functional and comfortable and allow high degree of mobility. Full front opening with two zippers enable quick donning and doffing. Composing part of the overalls is removable thermo-insert made of synthetic fleece. Altogether, they protect from rain, wind and cold.

Raised collar with Velcro girth adjustment keeps warmth in and wind out. Elastic band in the waist area for waist adjustment. Pleated back for better comfort and ease of movement. The shoulder part is reinforced with double layers of fabric and synthetic filling. Also, there are double layers of fabric on the elbows, knees and buttocks area. Legs and sleeve openings with elastic bands and cuffs with Velcro adjustment system. The sleeves can be made as removable. There are two large vertical zippered pockets on the front side, as well as few inner zippered pockets. Horizontal zippered pockets on the sides of hoses. Velcro mounting points for designations can be placed according to customer demands. The overalls are made of materials of various colors.

Sizes: M, L, XL, XXL
