

KT, M02

Gun primer

TECHNICAL DATA:

- Short description
- Purpose
- Minimal action conditions
- Operating temperature range (°C)
- Airtightness
- Mass (g)
- Transportation
- Storage period

KT, M02 is impact gun primer
intended for completion of 105 mm extended-range ammunition
impact energy of 1.121 J
-30 to +50
airtight
155
safe at any type of transportation
15 years min.
