

KT, M82P2

Gun primer

TECHNICAL DATA:

- Short description
- Purpose
- Minimal action conditions
- Operating temperature range (°C)
- Airtightness
- Output charge
- Mass (g)
- Transportation
- Storage period
- Max working pressure (bar)

KT, M82P2 is impact gun primer intended for completion of 155 mm and 203 mm ammunition impact energy of 1.04 J
-30 to+50
airtight
black powder N°7, m=1.4 g
33.5
safe at any type of transportation
15 years min.
< 3500

PACKING:

1000 primers in a wooden case.

PACKING DESCRIPTION:

IMO COD 1.3G
UN N° 0319

	DIMENSION (mm)	VOLUME (m ³)	GROSS MASS (kg)
Case	572 x 375 x 262	0.06	47
