

LEATHER SET

This set is intended for use by Police members when they are performing their regular patrol duty. It is suitable for side carrying of the weapon and for attaching other necessary equipment. The set is produced of high quality leather. Fastening is with metal buckle. Pistol holster with carrier is made of high quality leather and is reinforced with plastic. The holster is with leather lining. The plastic reinforcement provides that the holster is rigid thus enabling quick weapon drawing and re-holstering. There is a leather strap for securing the weapon.
