TECHNICAL DATA:

Caliber	128 mm
Length	2785 mm
Mass	64 kg
Temperature range	-30°C to +50°C
Rocket range	22 km
Rocket can be completed with two fuzes types: point detonating with delay action (UTU M12) or with proximity fuze (UB M21).	

PACKING:

1 rocket in a wooden case
Case dimension
Case gross weight
Case volume
UN no. 0295
Hazard class 1.2F

2900 x 285 x 225 mm
90 kg
0.21 m³

FUZE
UB M21

FUZE
UTU-M12
