

Optical electronic module for proximity fuze

FUZE INTENDED FOR :

- Mortar ammunition Caliber 60, 80, 81/82, 120 mm
- Drone drop bombs (additional safety system, fuze is active only after reaching determined speed)
- Drone "Kamikaze" Compatible with all type of "Kamikaze" drone, Two-way drone-fuze communication

OPERATIONAL MODE :

- **Proximity**
Height of burst 2 ± 1 m
- **Impact**
- **Backup impact**

- Temperature range: $-30^{\circ}\text{C} - +50^{\circ}\text{C}$
- Temperature storage range: $-50^{\circ}\text{C} - +70^{\circ}\text{C}$
- Power supply Primary battery
- Shelf life 10 years (min)
